The course meets twice a week. In addition, students are responsible for a large amount of homework. After finishing the course, you will be able to give a brief presentation and write a CV and a job application in Finnish. The aim is also to practise different ways of expressing your opinion and develop fluent oral communication. The grammar discussed covers participles.

Regular class attendance (over 80%) is highly recommended. The course will be assessed on a scale of 0–5. The assessment will be based on a final examination and possible course tasks, as well as participation during the course. NB! In order to be able to continue to Finnish 6, you have to achieve grade 3, 4 or 5 on the final exam.

If you have not taken Finnish 4 or if you have received grade 2 or less on the final exam of Finnish 4, you have to pass a placement test before the course starts (placement test on 2.9.2019 at 8.00–11.00, Fabianinkatu 24, sali 532). Enrolment in the placement test: https://elomake.helsinki.fi/lomakkeet/81121/lomake.html

Before the placement test, you can practise with an online test (test 4): https://blogs.helsinki.fi/suomentasotestit/.
NB! The online test is not a substitute for the actual placement test!
